**Orchard County PS Termly Extra-Curricular Activity Plans 2023/24**

**Term 1a Extra-Curricular Activities (11<sup>th</sup> September- 6<sup>th</sup> December) 11 weeks**

Dear Parents

We are delighted to be able to offer a range of after school activities, starting Monday 11<sup>th</sup> September for P2-P7. Primary 1 pupils will be offered some after school activities later in the year.

This year we are pleased to be partnering again with Sportscity, a company run by coaches who were past pupils of OCPS. They will be offering activities on Mondays and Wednesdays. Please see the posters attached for dates, times and classes. There will be a cost for these termly activities (11 weeks) and it will be **payable to the coaches directly** through their own booking system and not through ParentPay. Click on this link to book in <https://sportscity.classforkids.io/term/6>

Places will be limited so please book in as soon as possible and preferably before Friday lunchtime.

Please remember to bring PE kit for after school activities in a bag. Pupils will change prior to the activity unless it is already a PE uniform day for their class.

We are also trialling a clubs afternoon on a Friday for all P4-7 pupils. These clubs will be offered by the staff and there will be no charge for these. We will be offering art & craft, boys' sports, hockey, netball, cycling proficiency, cookery, music, ICT, technology, athletics and craft club throughout the year.

The pupils have already selected their club for term 1a and these will start this Friday from 2-2.45pm during school.

Yours faithfully

Mrs J McMillan  
Principal
