16th March 2020

Coronavirus

There will be no after school activities, matches, tournaments, music tuition or P6/7 swimming until further notice. The Portadown Festival has also been cancelled.

Could we also ask that parents, grandparents or childminders do not come into school unless absolutely necessary. Please phone the office to pass on a message or speak to a member of staff. At this time we all have to work together to do our best to ensure the safety of our school community.

If your child develops any symptoms of the coronavirus please keep them at home for at least 7 days, contact NHS 111 and contact school by telephone to inform us.

The staff will continue to prepare the children for learning from home. Homework this week will be online to check everything is working correctly and to resolve any problems before we have to use it daily. If you have any questions regarding this, please contact your child's teacher.
